IACTS TECHNOCOLLEGE CME 2026

The Future Is Now !

23 — 25 October 2026 · Hyderabad, India

Under the aegis of the Indian Association of Cardiovascular-Thoracic Surgeons

Convened by Department of CTVS, NIMS Hyderabad

WELCOME • MESSAGE

FROM THE *Organising Chairman*

ORGANISING
CHAIRMAN**Dr. G. Ravindra**

DEAR COLLEAGUES,

It gives me immense pleasure to welcome you all to IACTS Technocollege CME 2026, being conducted under the aegis of the Indian Association of Cardiovascular and Thoracic Surgeons.

Technocollege is a timely initiative that brings together young surgeons, postgraduate trainees, experienced practitioners, innovators and technology leaders on a common platform. It is not simply a programme to learn new techniques; it is an opportunity to develop a mindset of adaptability, innovation and lifelong learning. The interactions, demonstrations and exchange of experiences during these three days will, I hope, inspire participants to look beyond the operating room of today and envision the possibilities of tomorrow.

Hyderabad provides a wonderful setting for this meeting. A city that seamlessly combines a rich cultural heritage with a rapidly growing ecosystem of medicine, technology, innovation and entrepreneurship, Hyderabad truly reflects the spirit of this conference. I warmly invite all delegates to experience not only the scientific programme, but also the legendary hospitality, culture, cuisine and warmth of Hyderabad.

I am confident that Technocollege 2026 will be an enriching experience—academically stimulating, professionally inspiring and personally memorable.

I look forward to welcoming each one of you to Hyderabad and to this exciting journey into the future of cardiothoracic surgery.

Dr. G. Ravindra · Organising Chairman, IACTS Technocollege CME 2026

WELCOME • MESSAGE

FROM THE *Organising Secretary*

ORGANISING
SECRETARY**Dr. Amaresh
Rao Malempati**

DEAR COLLEAGUES,

Cardiovascular and thoracic surgery is witnessing an unprecedented transformation. Technologies that were once considered futuristic—minimally invasive and robotic surgery, advanced aortic interventions, mechanical circulatory support, organ transplantation, image-guided procedures and sophisticated thoracic techniques—are rapidly becoming part of contemporary surgical practice. The future is no longer something we are waiting for; it is already happening in our operating rooms.

It is with this conviction that we present IACTS Technocollege CME 2026, under the aegis of the Indian Association of Cardiovascular and Thoracic Surgeons (IACTS). Conceived primarily for postgraduate students and young surgeons in the early stages of their careers, Technocollege is designed to bridge the gap between conventional surgical training and the rapidly evolving technological landscape of our specialty.

We believe that young surgeons should not have to wait until they are established in their careers to encounter the technologies that are transforming our specialty. Technocollege is therefore conceived as a platform to expose, train, question, interact and innovate. More importantly, it brings together young surgeons and pioneers of the field, creating an environment where experiences can be shared, ideas challenged and the learning curve shortened.

Technocollege 2026 is not merely about predicting what cardiac and thoracic surgery will look like tomorrow. It is about experiencing the technology that is already shaping it today.

The future is now. And we invite you to be a part of it.

THE FUTURE IS NOW — AND WE INVITE YOU TO BE PART OF IT.

ABOUT THE CME

BUILT FOR THE SURGEONS WHO WILL PRACTISE THE NEXT DECADE.

Conceived primarily for postgraduate students and young surgeons in the early stages of their careers, Technocollege is designed to bridge the gap between conventional surgical training and the rapidly evolving technological landscape of our specialty.

Young surgeons should not have to wait until they are established in their careers to encounter the technologies that are transforming our specialty. Technocollege brings together young surgeons and pioneers of the field, creating an environment where experiences can be shared, ideas challenged and the learning curve shortened.

& MORE

Technocollege 2026 is not merely about predicting what cardiac and thoracic surgery will look like tomorrow. It is about experiencing the technology that is already shaping it today.

HOW THE THREE DAYS WORK

01 Day Zero • October 23, 2026

Pre-conference Hands-on Workshops — Nizam's Institute of Medical Sciences, Hyderabad

02 Days One & Two • October 24 & 25, 2026

Scientific Programme — Dr. MCR HRD Institute Auditorium, Hyderabad

Convened by Department of CTVS, NIMS Hyderabad • Under the aegis of the Indian Association of Cardiovascular-Thoracic Surgeons

DAY ZERO • OCTOBER 23, 2026

PRE-CONFERENCE HANDS-ON WORKSHOPS

Nizam's Institute of Medical Sciences, Hyderabad

Providing postgraduate trainees with an opportunity to develop and refine essential surgical skills. Through focused practical sessions on vascular and coronary anastomosis, valve replacement techniques, CABG and Aortic surgical planning, participants will learn not merely what to do, but how to think through a surgical procedure.

THE TRACKS

01	Young Innovators Forum	FORUM
02	Coronary Anastomosis Contest	CONTEST
03	Advanced Aortic Workshop	WORKSHOP
04	Coronary anastomosis and valve anastomosis wet lab	WET LAB

SKILLS COVERED

01	Vascular and coronary anastomosis	02	Valve replacement techniques
03	CABG surgical planning	04	Aortic surgical planning

SEATS

Workshop places are limited and allocated with registration. Select your workshop preference in the registration form; the secretariat will write to confirm your place. Per-track seat counts to be announced.

LEARN IT. DO IT. CHALLENGE IT.

DAYS ONE & TWO • OCTOBER 24 & 25, 2026

BEYOND CONVENTIONAL *CME* learning

Dr. Marri Channa Reddy Human Resource Development Institute

The scientific programme is structured around four major domains shaping the future of our specialty.

01 Minimally Invasive and Robotic Cardiac Surgery

02 Aortic Surgery

03 Heart-Lung Transplantation

04 Complex Congenital and Thoracic Surgery

INCLUDING VATS AND ROBOTIC THORACIC SURGERY

A DISTINCTIVE FEATURE

Breakthrough Sessions

A distinctive feature of Technocollege, where industry partners and technology innovators will showcase emerging technologies and demonstrate their real-world applications. These sessions are intended to provide participants with an opportunity to see, understand and critically evaluate technologies that may define their practice in the years ahead.

SESSION TIMINGS AND FACULTY TO BE ANNOUNCED

SCIENTIFIC HIGHLIGHTS

EIGHT *highlights*

The eight areas the programme is built around, as published by the organising committee.

Hands-On

01

SURGICAL WORKSHOPS & LIVE DEMONSTRATIONS

- Cadaveric & simulation based workshops
- Live surgical demonstrations by experts
- Real-time guidance and feedback

Next-Gen Technology

02

PLENARY SESSIONS & DIDACTIC LECTURES

- Cutting-edge innovations in cardiothoracic surgery
- Evidence-based updates from global experts
- Emerging technologies shaping the future

Scientific Exchange

03

INTERACTIVE SCIENTIFIC PANELS

- Debates & discussions on current controversies
- Multidisciplinary knowledge sharing
- Case-based learning sessions

Collaboration

04

NETWORKING DINNER & SCIENTIFIC INTERACTION

- Connect, collaborate & build the future together
- Networking with national & international faculty
- Strengthening professional partnerships

Young Surgeons' Forum

05

A PLATFORM FOR EMERGING TALENT

- Platform for young talent to present & interact
- Encouraging research & new ideas
- Mentorship & career guidance

Best Paper & E-Poster Awards

06

RECOGNITION OF EXCELLENCE

- Recognition of excellence in research
- Encouraging innovation & academic growth
- Rewarding impactful contributions

Patient Centric Care

07

QUALITY OUTCOMES & PATIENT SAFETY

- Focus on quality outcomes & patient safety
- Translating science into better patient care
- Patient-first approach in every decision

Global Perspective

08

INTERNATIONAL FACULTY & COLLABORATIONS

- International faculty & global collaborations
- Insights into the future of cardiothoracic surgery
- Benchmarking best practices worldwide

REGISTRATION

REGISTRATION *fees*

Fees are charged at the tier active on the date payment is received. All amounts in INR and inclusive of GST.

CATEGORY	EARLY BIRD	STANDARD	SPOT REGISTRATION
	TILL 27/09/2026	TILL 11/10/2026	TILL 25/10/2026
Resident / Trainee	₹3,000	₹5,000	₹7,000
IACS Member	₹5,000	₹7,000	₹10,000
Non-Member	₹7,000	₹9,000	₹12,000

INCLUDED WITH EARLY BIRD

Complimentary twin-sharing accommodation at the venue. Early Bird rates apply until 27/09/2026.
Concessional categories require proof of eligibility.

EARLY BIRD

01/01/2026 — 27/09/2026

STANDARD

28/09/2026 — 11/10/2026

REGISTRATION

HOW TO *register*

FOUR STEPS

01 Register online

Complete the delegate form on the conference website.

02 Pay the fee

Transfer by NEFT, IMPS or UPI using the account or QR opposite.

03 Attach your proof

Enter the UTR / transaction reference and upload the payment screenshot — both are required.

04 Receive confirmation

The secretariat matches your payment and issues your registration ID and QR pass by email.

WHAT YOU WILL BE ASKED FOR

Name, email and mobile • designation and specialization • institution • medical registration number • registration category • workshop preference • accommodation requirement • UTR and payment screenshot.

ABSTRACTS

ABSTRACT *submission*

Abstracts and case reports are invited for the scientific programme. You do not choose the presentation format — the scientific committee reviews each submission and decides whether it is presented as a paper or a poster.

LAST DATE FOR SUBMISSION

11 October 2026

SUBMISSION RULES

- 01** Conference registration is mandatory for abstract submission.
- 02** The first name in each abstract should be that of the presenting author.
- 03** All abstracts/case reports must be submitted in English.
- 04** Abstract in brief includes aim, materials and methods, results, conclusion & clinical significance.
- 05** For case reports, introduction, case presentation, discussion & conclusion should be included.
- 06** Abstract in comprehensible English typed in Microsoft Word, Calibri font, size 14, not more than 500 words.
- 07** The abstracts should not have been presented or published in any other conference.
- 08** Only the presenting author will be entitled to get a certificate.
- 09** Abstracts/case reports submitted will be sent to the scientific committee for review and acceptance.
- 10** Final date for submission is 11 October 2026.

WHERE TO SUBMIT

Online only, through the conference website.
Conference registration is mandatory before you submit.

WHERE IT HAPPENS

THE *venues*

Two landmark institutions across Hyderabad host the workshop and the scientific programme.

DAY 0

NIMS Hyderabad

Nizam's Institute of Medical Sciences

Punjagutta, Hyderabad, Telangana 500082

PRE-CONFERENCE WORKSHOP — OCTOBER 23

DAY 1 • 2

Dr. MCR HRD Institute

Dr. MCR HRD Institute Auditorium

Road No. 25, Jubilee Hills, Hyderabad, Telangana 500033

SCIENTIFIC PROGRAMME — OCTOBER 24 & 25

GETTING THERE

Both venues are centrally located in Hyderabad with easy access from Rajiv Gandhi International Airport and the city centre. Travel notes and recommended stays will be shared with registered delegates.

EXPLORE HYDERABAD

A city of heritage and of medicine

A city that combines a rich cultural heritage with a rapidly growing ecosystem of medicine, technology, innovation and entrepreneurship — the spirit of this conference.

Golconda Fort

16TH CENTURY

The granite citadel of the Qutb Shahi kings, famous for acoustics that carry a handclap from the gateway to the summit.

Salar Jung Museum

COLLECTION

One of the largest one-man collections in the world — sculpture, manuscripts and textiles gathered across continents.

Hussain Sagar

HEART OF THE CITY

The lake separating Hyderabad from Secunderabad, with the monolithic Buddha statue at its centre.

Birla Mandir

NAUBATH PAHAD

A white marble temple on the hill above Hussain Sagar, with one of the widest views over the city.

Ramoji Film City

DAY TRIP

The world's largest integrated film studio complex, on the eastern edge of the city.

HITEC City

MODERN HYDERABAD

The technology and biotech corridor that made Hyderabad a centre for research, pharma and medical innovation.
